WHO HAS THEIR CHILD'S BABY PICTURE READY?

Please use this link below to submit your 8th grader's baby picture.

The sooner you send the picture, the sooner the kids can finish putting together those pages.

Please name the digital file with your child's name. Our 8th graders were born in the digital age. If you don't have a digital file, then and ONLY then please send in a print to school in an envelope marked Yearbook - Baby Picture - Child's Name. You will NOT get the print back.

Please DO NOT go and print a picture and send it in. If you have it digitally to print, just upload that file to the link attached. If you can imagine the amount of time it takes to scan and upload prints, then you can imagine how much more help we will need for the yearbook.

Thank you!
