

POB MS PTA #ITTAKESAVILLAGE

8th Grade Yearbook

PLEASE SUBMIT BY JANUARY 15

This is when we are looking for pictures that were taken at SCHOOL events...
ONLY in school events.

For example, Science Fair, Music Concerts, Greek Olympics, etc.
Pictures submitted from outside of school will NOT be used.

Please follow the specific link to upload pictures. Each link is specific to the grade they were in when those pictures were taken.

If you don't have the access to upload digital files and your only option is to submit a CD or flash drive, then please put it in a envelope marked YEARBOOK - Child's Name and activities and grades of the pictures. Please email me at yearbookpobms@gmail.com Attention:Jessica and I can guide you to make it easier on the kids that are putting together the yearbook. Please understand that you will NOT get those back (flashdrive or disc).

Please DO NOT print a picture and send it in. If you have it digitally to print, just upload that file to the link attached.

Thank you!
